February 17, 2017

Attending: Dianne, Maria, Umesh, Sheldon, Jean

Jean reported on things that happened during the month:

1. LaMonte Bishop called about the EEMP Grant and said that he spoke to folks about the grant. Carol Carter and Laurie Heller, Grants Administrators, California Natural Resources Agency, called me about the grant – Application due in July 2014 – Caltrans property funding would be for trees /greenery
2. Sarah suggested applying the NEA Fast-Track – Deadline May 8, 2014 and May 22-June 5.
3. Jean interviewed 2 potential Interns from Malia Cohen’s office and selected one and wants her to research the Dog Park and Skateboard project on SOMA.
4. Jean attended a Webinar – “Effective Fundraising for Trails and Greenways”
5. Jean gave Sarah more input to acknowledgement page. Expect final project this week. Want to make a copy for Russian Church
6. Jean emailed and called Anchor Steam, but has not gotten response.
7. Friends of Franklin Square – want to fund redoing soccer field plus a dog park. Email from savenature.org. Jolene Lee wants to partner with the Loop.
8. Sarah and Marcel have someone to work on video and model.
9. Holding meetings “GBD in Depth” with Tony Kelly (GBD co-chair) to make sure folks understand and can speak to supporting the GBD.
10. Michael has almost made contact with someone from the bike coalition for support.
11. Jean mentioned the ENCAC has allocated \$100,000 for community challenge types grants – to start in August 2014
