Who is our Public Works Manager?

Michelle Woo, Public Works Manager

What problems are we trying to solve?

- Dangerous conditions for pedestrians and bikers on 17th Street
- Neighborhood population increase, but no corresponding increase of parks
- Illegal use of Caltrans right-of-way (dumping, camping)
- 400 Block San Bruno – no protection from freeway (noise, dirt, exhaust)
- 400 Block Vermont – unsafe speeding from offramp down to 17th St.

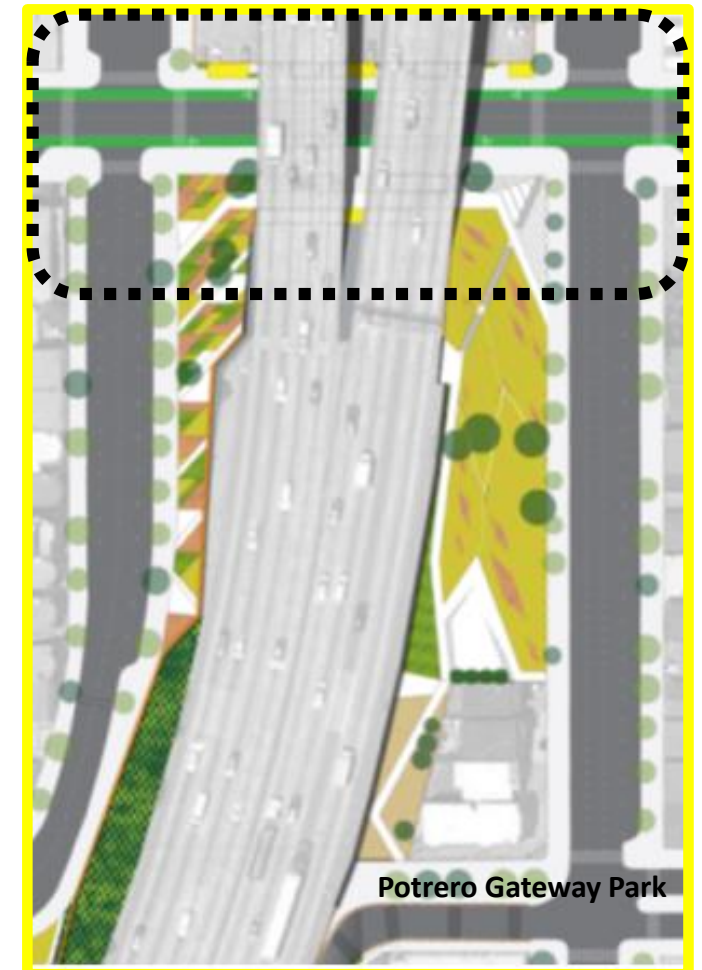

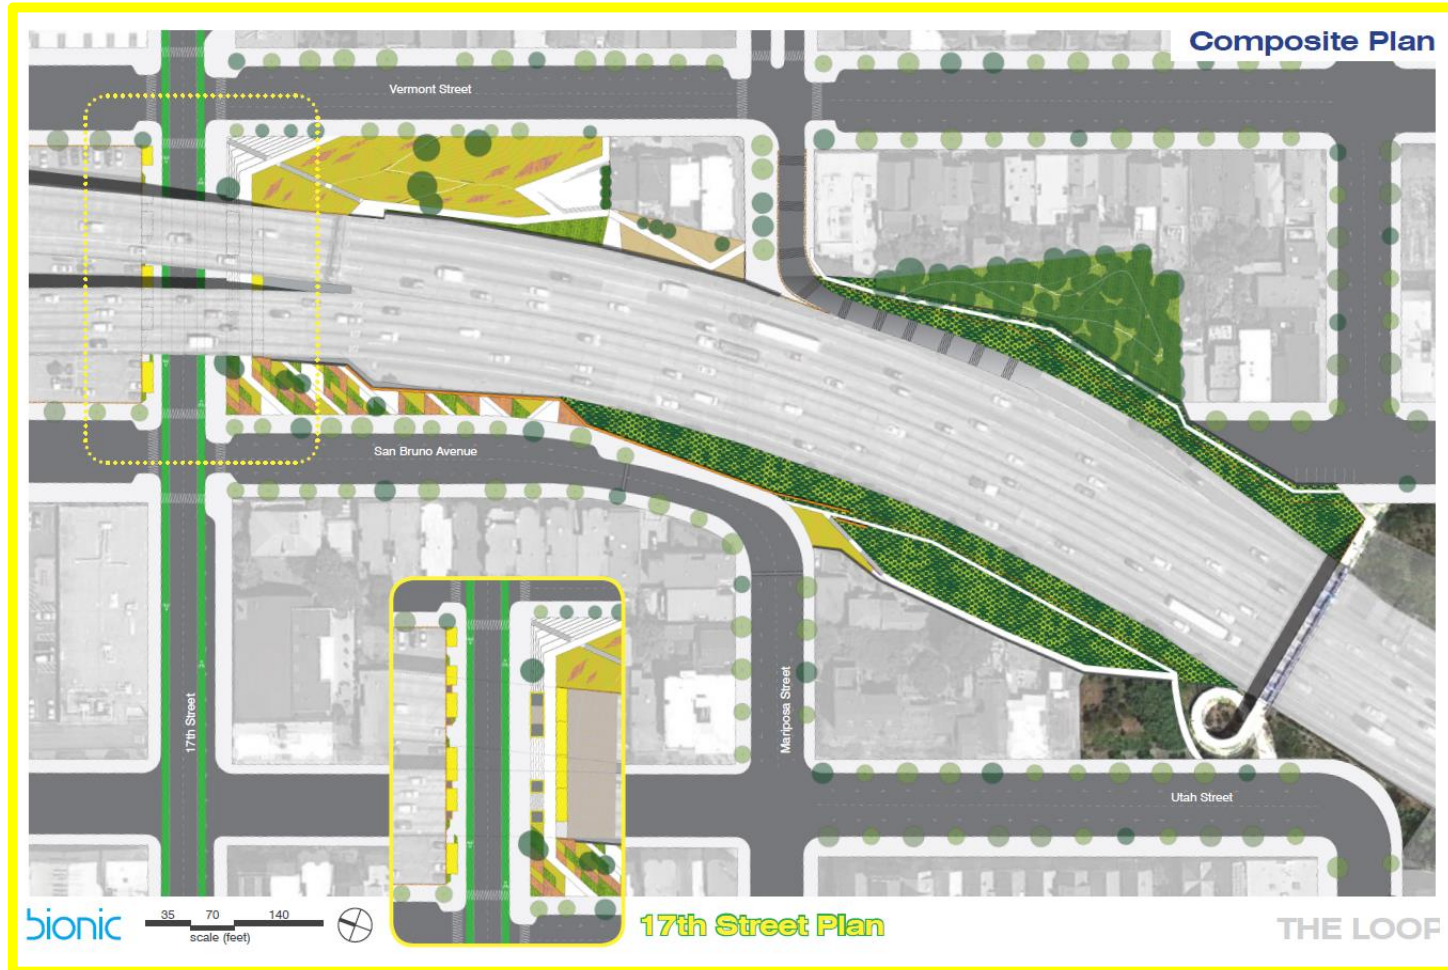

What kinds of solutions do we propose?

- Bulbouts and enlarged sidewalks to increase safety
- Beautification of San Bruno / 17th Street / Vermont pedestrian and bike experience to increase activation.
- Additional green areas for sitting, walking, enjoying vegetation and view
- Art experiences to increase activation
- Green Fences to protect community from freeway
- Removal of Lane on Vermont to provide traffic calming

Who is maintaining the area now?

Dogpatch & Potrero Hill GBD with a PW Adopt-a-Highway permit

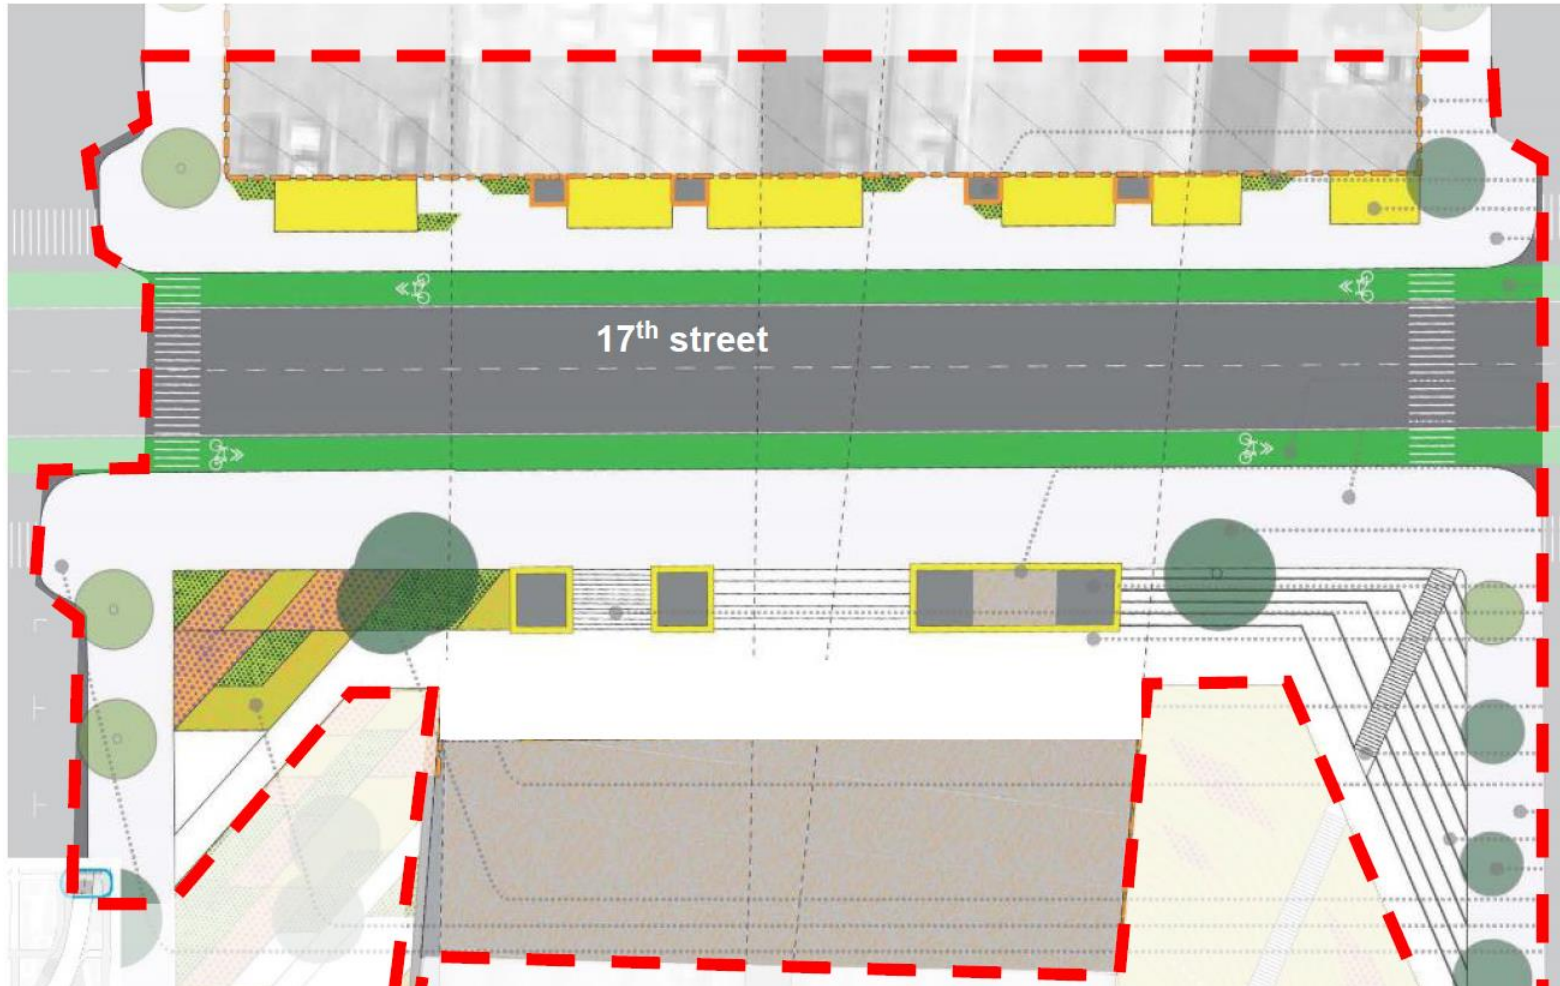

Using the BIONIC drawing to illustrate, Potrero Gateway Park is the Rectangle.
ENCAC awarded us funding for Phase 1, the area in the smaller yellow rectangle.
