

The GBD CA Native Plant Treasure Hunt Dates have been extended!!!

Ten Native plant Treasures are located two in each of the parks on the map on the right.

- Download the inaturalist app to your mobile phone
- Join the Project: “GBD CA Native Plants”
- Get to the parks
- Find the plants (on QR codes in the park and also in the pdf)
- Upload them into the project

Find FIVE of the plants and win a prize!!

Find EIGHT of the plants and win a bigger prize!
