

Potrero Gateway Project

Contract: 100025772

Project Description

S.F. Public Works has hired Bauman Landscape & Construction, Inc. to complete work on the **Potrero Gateway Project**.

The **Potrero Gateway Project** will reconnect the Potrero Hill neighborhood separated by US 101 by creating a gateway and providing a safe passageway under the freeway overpass along **17th Street from Vermont Street to San Bruno Avenue**, and along **Vermont Street between 17th and Mariposa Streets**, locations on **San Francisco's Vision Zero High Injury Network**.

The Potrero Gateway Project was sparked from a community initiative to improve safety in the area and the ignored space under and around the US 101 freeway.

Construction is anticipated to start in late February and is scheduled to be complete in Spring 2024. The schedule is subject to change due to weather, equipment breakdown, or unforeseen field conditions.

This project will improve pedestrian, bicyclist, and motorist safety and accessibility by widening sidewalks, constructing new curb ramps and corner bulb-outs, enhancing bike lanes, installing new local native planting, and the addition of new pedestrian lights.

Additional scopes of work will include traffic routing, sewer work, water work, concrete pier and retaining wall work, retaining wall planters, soil removal and off haul, fence installation, landscape work, irrigation work, drainage work, electrical work, and final paving.

Impacts and Restrictions

Street parking may not be possible on the block during construction work hours. In some cases, parking may not be possible on part of the adjacent block as we taper the traffic lanes to accommodate the work zone. Please see posted barricade signs for exact work hours, days, and locations, because they may vary depending on the construction task. The "no parking" signs will be posted at least 72 hours in advance to alert motorists of parking restrictions.

Vehicles parked in the construction zone during the posted work hours will be towed at the vehicle owner's expense. Please allow extra travel time during construction work hours.

Street cleaning restrictions will still be in effect.

We apologize for the inconvenience and thank you for your patience as we work to improve San Francisco.

Please visit www.sfpbpublicworks.org/Potrero-Gateway to learn more about the upcoming work.

START DATE:

Late February 2023

END DATE:

Spring 2024

WORK HOURS:

Monday to Friday, 7:30 AM to 5 PM
Saturday & Sunday, 8 AM to 6 PM
(Weekend work is allowed, however, none has been scheduled at this time.)
